Report on the Financial Statements

I have audited the accompanying financial statements of Pathfinder Outdoor Education, Inc. which comprise the statement of financial position as of June 30, 2019, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

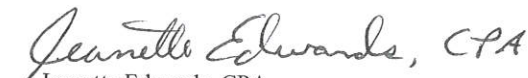

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pathfinder Outdoor Education, Inc. as of June 30, 2019, and the changes in net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The financial statements of Pathfinder Outdoor Education, Inc. for the year ending June 30, 2018 were previously reviewed by Jeanette Edwards, CPA, LLC who expressed that based on that review no material modifications should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America. NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

Note 1 - Nature of Business

Pathfinder Outdoor Education, Inc. (the Organization) is a non-profit corporation organized under the laws of the State of Florida in 1993. The Organization's purpose is to establish and maintain outdoor education programs for the promotion of the improvement of the spiritual, mental and physical condition of participants, and encourage them in the conservation of all elements of the natural world. The Organization offers innovative, experiential, programming at scenic locations around the state of Florida. This provides experiential opportunities for learners of all ages to develop communication, conflict resolution, cooperation and problem solving skills. The Organization offers several curriculum and programming choices from day programs which serve as an introduction to the outdoor education experience, to two to five day programs.

Note 2 - Summary of Significant Accounting Policies

The financial statements of Pathfinder Outdoor Education, Inc. have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Fund Accounting

To ensure observance of limitations and restrictions placed on the use of the resources available to the Organization, the accounts are maintained in accordance with the principles of "fund accounting". Financial statement presentation follows the recommendation of the Financial Accounting Standards Board so that net assets, revenues and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Restrictions - Net assets that are not subject to donor-imposed stipulations. Voluntary designations of funds by the governing board are considered to be unrestricted.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as "net assets released from restrictions".

This classification also includes net assets subject to donor-imposed stipulations that require that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes. As of June 30, 2019, the Pathfinder Outdoor Education, Inc. had no permanently restricted net assets.

Contributions

Generally accepted accounting principles requires reporting contributions received as an increase in net assets immediately, even if the donor has restricted their use. As a result, restricted contributions are recorded immediately, either as an increase in temporarily restricted net assets or permanently restricted net assets, depending on the nature of the donor restriction. Restrictions imposed internally by the governing board does not change the character of unrestricted contributions.

Deferred Revenue

Revenue from program fees is recognized when the services are provided. Deposits received are recorded as deferred revenue until the service is provided and the actual participant fees are calculated. Revenue from grants is earned as required under the grant agreement. Unearned revenue is deferred until grant requirements are met.

Accordingly, income earned in furtherance of the Organization's tax-exempt purpose is exempt from federal and state income taxes. No provision for federal or state income taxes has been included in the accompanying financial statements. Management is unaware of any activities that would jeopardize the Organization's tax-exempt status or activities subject to tax on unrelated business income.

Donated Materials and Services

The Organization reports donations of materials and services at their estimated values as revenues and expenses on the date of receipt. These items are measured at amounts comparable to costs which would be incurred to hire personnel, rent facilities or purchase items to accomplish similar objectives. Only those services which create or enhance non-financial assets or that require specialized skills, and are provided by individuals possessing those skills, and which would typically need to be purchased if not provided by donation, are recorded in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing the various program and other activities have been summarized on a functional basis in the statement of functional expenses.
