

Affordable, fun teambuilding programs conveniently located in St. Petersburg.

Tree Climbing—get a bird’s eye view as you dangle from the branches of a tree safely tethered by a rope and harness! Choose the height of your ascent and swing aloft, walk on a branch or lounge in a hammock. This a great experience which promotes self-reliance, healthy decision making skills, and a sense of adventure.

Low Challenge Course—encounter a series of physical challenges and mental obstacles with boards, platforms and ropes. Pathfinder staff assess the needs and help create goals. Guided discussions help identify individual strengths, reaffirm problem-solving techniques, and develop leadership and collaboration skills.

The Foundation—team building activities and icebreakers are fun ways to get to know each other better, work with different people, create positive relationships, test leadership skills, understand group dynamics, and laugh together.

The Beast—what if you had to accurately build something that you had never seen? Boost observation, listening, and communications skills by replicating a “beast” seen by only one member of the group...but must be built by the rest of the group.

Pathfinder CSI—reassemble an animal skeleton and learn a bit of forensic science as you uncover clues to determine the cause of this animal’s death. An active discussion about conservation issues surrounding endangered species ignites ideas about what you can do to help.

Founded in 1993, Pathfinder is a non-profit offering experiential educational programs that develop leadership, increase self-confidence, and enhance communication through trust and teambuilding activities. Participants work together to identify and achieve common goals and in the process, gain new skills in problem-solving, resolving conflict, listening, and working effectively in a group.

Overnight and offsite programs also available - please contact us for details.

Pathfinder

Outdoor Education

Pathfinder is Accredited

Pathfinder has been accredited by the Association for Experiential Education (AEE) since 1998. We are the only AEE accredited organization in Florida. AEE accreditation involves a rigorous review process that ensures Pathfinder is committed to quality and follows professional guidelines. Our accreditation means you can be confident that our programs meet the highest industry standards. Visit www.aee.org for more information.

Our Facilitators

Pathfinder facilitators bring diverse experience, engaging teaching and passion to each and every program. Their insightful assessment of your group's needs leads to deep discussions allowing participants to transfer learning to everyday life. Laughs, smiles and encouragement just add to the experience.

All Pathfinder facilitators are Level II screened and approved to work in Florida public schools. All Pathfinder facilitators are extensively trained in the prevention and management of risk. Staff hold current certifications in First Aid, CPR/AED, low/high challenge course facilitation, tree climbing, canoeing and lifeguarding.

Emotional Safety

Pathfinder focuses on all aspects of our participants' safety including emotional safety. We ensure the learning environment is one where everyone can communicate openly, trust fellow participants, and fail forward. At Pathfinder, people can speak up, hear and acknowledge new voices, test out leadership skills, and discover how they can contribute to their community in a meaningful way.

Program Fees

Because we work with you to design a program that meets your group's goals and needs, fees will depend on the length of program, location, number of participants, and classes selected. Scholarships and public school discounts are available. Please contact us to discuss pricing for your school.
